**PETITION TO RESTART PERIOD  
DUE TO NON-RECEIPT OF OFFICE ACTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Petition is filed to restart the period for the Office Action mailed November 18, 2005. While performing a PAIR search for this application it was determined that an Office Action was mailed on November 18, 2005. A search of our file jacket and docket records indicates that the Office Action was not received, but was first downloaded on June 15, 2006. Attached to this Petition is a print out from the firm's docket system for this specific application indicating that the Office Action was not received. Prior to the Amendment filed on August 16, 2005, as can be seen from the docket system print out, the last entries relate to an Office Action mailed June 7, 2004 and a Response and Petition for Extension of Time filed thereto on October 4, 2004. Applicants respectfully request the Commissioner grant this Petition, restart the period and issue a new Office Action. A global docket report for

the day a response would have been marked as due had the Office Action been received is also attached.

Since the non-receipt of the Office Action appears to be a Patent Office or U.S. Postal Service error, Applicants believe that no petition fee is due. However, if a petition fee is due, please charge our Deposit Account No. 02-4800.

In the event that any additional fees are due with this paper, please charge our Deposit Account No. 02-4800.

Respectfully submitted,

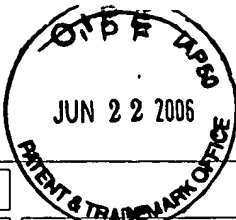

BUCHANAN INGERSOLL PC
